

### **Linda Brockway's Candidate Statement:**

I have been a board member of the National Association of Housing Cooperatives since October 2000.

I have acted as NAHC's treasurer since October 2006 and have been the chairperson on the Member Services Committee since October 2009. I also serve on the Finance Committee and the Governance Training Committee.

I have been an active trainer for the NAHC since 1991 and have been involved in overseeing the Governance class, the Payoff class, Strategic Planning, and other classes that are needed by our members.

I have also been a trainer for the Midwest Association of Housing Cooperatives, the National Association of Housing and Redevelopment officials, as well as a lead speaker for the United States Department of Housing and Urban Development. I have also been active as a speaker for NCBA CLUSA, and I am interested in becoming involved in NCBA CLUSA, as well as the NAHC.

After attending the NAHC, the NCBA CLUSA and the NASCO conferences, and after speaking to the organizations' members, I truly believe that by serving on the boards of both the NAHC and NCBA CLUSA, and working with NASCO, I can assist in developing programs that will serve the members of the National Cooperative Business Association.

I am running for the Board of Directors of the National Cooperative Business Association, as I do believe that, with my experience as a public speaker and a nationwide consultant on economic development programs and homeownership, I can and will be an active and productive member of the Board of Directors of the National Cooperative Business Association.
